▪ Who We Are

We are a professional team lead by Jennifer Juang, an agent and locator of Texas Association of Realtors. We not only provide free consulting of leasing but also the residential and commercial sales. Our goal is to help all of you to find a sweet and warm home in Texas. We look forward to meeting you and finding you your perfect place.

▪ What We Provide Not Only

Leasing

We provide free consulting service for international students to help lease apartment around the university campus. Safety is an important issue we are concerned about. We provide a number of choices of apartments with good convenience, good environment, and good prices.

Residential Sales

We provide free consulting service for international students to help lease apartment around the university campus. Safety is an important issue we are concerned about. We provide a number of choices of apartments with good convenience, good environment, and good prices.

INFORMATION UPDATE SOON FOR 2021!

Apartment/House Leasing

We do provide apartment/complex/townhome/condo/single house leasing in Austin, College Station, Houston and Dallas. We are expertized in helping International students find the "right" home which accommodates students' requirements to our best try.

Here, we offer free leasing service mostly around UT-Austin, TAMU, UH & Rice in Texas Medical Center, UT-Dallas and SMU. We provide very detailed apartment information including location, price & specials, amenities, real-captured photos, market, transportation information, etc.

Click "Read More" below to get more information.
